## Celebrations of life

### *Freedom to create your own joyful wedding*

We can work with you to create your own unique wedding that expresses the love you have for each other and the future you wish to create together. Here are some of the most popular celebrations others have chosen at Matara.

#### **Matara Friday and Saturday celebrations with or without accommodation**

This is our most popular choice for up to 150 guests. Guest's often provide their own wine followed after the meal service with a cash bar. Matara's in-house catering has become the favoured choice as we prepare and serve with the same love and care as everything else. Every wedding is unique as people decorate the venue for the wedding breakfast in their own style. Most people choose to have their civil ceremony in the cloistered courtyard; the guests tying a ribbon to the wishing tree and the tree dedication are among the most popular events.

#### **Budget winter and mid week summer weddings**

Winter and mid week weddings can reduce the cost in half. We offer the venue, food & drink for a fixed price.

#### **Intimate wedding with close family and friends**

Up to 24 people can stay in Kingscote Park for 2 days –There is no charge for the wedding reception, your guest's pay only for the accommodation. The civil ceremony can take

place within the house for up to 30 guests. You may wish to have a blessing of your own choice within the grounds of Kingscote Park.

#### **Alternative Celebrations**

We offer Sunday festive celebrations based on ancient wedding ceremonies that honour the earth and celebrate life.

You can invite your guest's to bring food, flowers, share stories, favourite music, poems, quotations, memories and dreams. Relax, enjoy, eat, dance be merry with good, friendly conversations. Delight in this special occasion of spontaneity, joy, surprises.
